

Alejandro José Pérez Morin

Intern Software Engineer

 alejandro.p.morin@gmail.com

 5534321287

Student of Systems Engineering with a great interest in the development and maintenance of internal systems. I have a solid ability to adapt to diverse technological environments and contribute with innovative solutions. I stand out for my teamwork skills and my constant enthusiasm for learning and perfecting my technical abilities. I am seeking a job opportunity that allows me to gain more experience in the field of internal systems.
